1.0 EXECUTIVE SUMMARY

1.1 Program Summary

In November 2004, voters of the City of Los Angeles passed the Proposition O – Clean Water Bond, authorizing \$500 million of general obligation bonds for projects to protect public health by cleaning up pollution in the City's rivers, lakes, and beaches. The projects are intended to assist the City of Los Angeles in meeting Federal Clean Water Act requirements. Proposition O – Clean Water Bond will also fund improvements to protect water quality, provide flood protection, increase water conservation, provide habitat protection, and create open space.

This monthly progress report summarizes the status of activities and progress of the Proposition O – Clean Water Bond program, for August 2014.

1.1.1 <u>Citizens Oversight Advisory Committee (COAC), Administrative Oversight Committee</u> (AOC), and Other highlights

- The August 18, 2014 COAC meeting was canceled.
- At the August 28, 2014 AOC meeting, the AOC heard a presentation from the BOE on the July 2014 monthly report and other project updates. The 2014 Master Schedule update was submitted by the BOE, containing two new projects and schedule modifications for six projects and was approved by the AOC. The AOC also heard a presentation from the BOS regarding a letter of intent that was received for the Westchester Stormwater BMP Project, from the Los Angeles World Airport. A Memorandum of Agreement is being prepared. The BOS also gave an update on project optimization activities.

1.1.2 Key Issues

Temescal Canyon Park BMP Ph II & Penmar Water Quality Improvement Ph II Projects

- o **Issue:** Dept. of Recreation and Parks (RAP) consideration to establish project easements and to obtain project approval from the Board of RAP.
- Status: Prop O staff sent draft reports to RAP for review, which include a commitment to formalize easements to the Bureau of Sanitation for the storm water facilities and request right-of-entry permits to RAP properties.
- Action: The projects are tentatively scheduled to be considered for project approval by the Board of RAP on September 17, 2014.

• Westchester Stormwater BMP Project

- o **Issue:** Land use agreement between the City (BOS) and Los Angeles World Airport (LAWA) has not been finalized.
- Status: BOS has received a letter of intent to move forward with the project on the original plan site.
- o Action: A Memorandum of Agreement is being drafted.

1.1.3 Prop O Awards

• Elmer Avenue Green Street Project

National Association of Clean Water Agencies 2011 Operations and Environmental Performance Award

South Los Angeles Wetlands Park

Construction Management Association of America – Southern California Chapter 2013 Project Achievement Award – Parks less than \$10M

Institute for Sustainable Infrastructure Envision Platinum Award

American Council of Engineering Companies - 2014 Engineering Excellence Awards Competition National Recognition Award

• Echo Park Lake Rehabilitation Project

Engineering News Record - California 2013 California Best Projects (Southern California) – Water/Environment

American Public Works Association – Southern California Chapter 2013 BEST Project Award - Drainage, Water and Wastewater

American Society of Civil Engineers – Metro Los Angeles Branch 2013 Outstanding Public Civil Engineering Project – (Water) over \$10M

American Society of Civil Engineers – Los Angeles Section 2013 Outstanding Government Civil Engineering Project

California Water Environment Association - Los Angeles Basin Section 2013 Engineering Achievement Award

Southern California Development Forum 2013 Urban Design and Planning Award

Prop O Awards cont'd

National Association of Clean Water Agencies 2014 Operations and Environmental Performance Award

American Society of Civil Engineers - Region 9 2013 Outstanding Parks & Recreation Project

American Academy of Environmental Engineers and Scientists 2014 Grand Prize for Environmental Sustainability

Construction Management Association of America – Southern California Chapter 2014 Project Achievement Award – Public Works Project

California Preservation Foundation 2014 California Preservation Design Award - Rehabilitation Category

American Society of Civil Engineers - National 2015 Outstanding Civil Engineering Achievement Award Finalist

California Stormwater Quality Association (CASQA) 2014 Outstanding Sustainable Stormwater BMP Project

Santa Monica Bay Low Flow Diversion Upgrades

American Public Works Association – Southern California Chapter 2013 BEST Project Award – Storm Water Quality

1.1.4 Project Community Meetings Schedule

The following is a list of Proposition O project meetings with the public that occurred in August and are planned for the month of September.

	COMMUNITY MEETINGS									
Date	Time	Project	Group	Location						
9/20/2014	11:00AM	Rory M. Shaw Wetlands Park Project	Groundbreaking Ceremony	8216 Tujunga Ave. Sun Valley, CA 91352						
9/23/2014	6:00PM	Albion Riverside Park	Local Volunteer Neighborhood Oversight Committee	Downey Recreation Center Los Angeles Meeting #1						
9/23/2014	6:30PM	Broadway Neighborhood Stormwater Greenway	Community	Junipero Serra Library - Community Room						

1.2 Bond Sales

The following table is a summary of the bond sales that fund Proposition O.

PROPOSI	SUMMARY		
General Obligation Bonds Approved by		\$500,000,000	
Total Bond Sales to Date Fund 16F July 13, 2005 City Council Approved Bond Sale (Ord. 176839 CF 05-1408)		\$37,000,000	\$439,500,000
Bond Interest Earnings (As of Aug 2014) Fund 16M July 21, 2006 City Council Approved Bond Sale (Ord. 177733 CF 06-0600-S37)	\$ 3,088,473	\$8,000,000	
Bond Interest Earnings (As of Aug 2014)	\$ 896,125		
Fund 16Q July 22, 2008 City Council Approved Bond Sale (Ord. 180090 CF 08-1706)		\$101,000,000	
Bond Interest Earnings (As of Aug 2014)	\$ 6,249,458		
Fund 16T July 21, 2009 City Council Approved Bond Sale (Ord. 180808 CF 09-1674)		\$176,500,000	
Bond Interest Earnings (As of Aug 2014)	\$10,839,589		
Fund 16V July 28, 2011 City Council Approved Bond Sale (Ord. 181755 CF 11-0841)		\$117,000,000	
Bond Interest Earnings (As of Aug 2014)	<u>\$4,577,133</u>		
Total Bond Interest Earnings to Date	\$25,650,777		
General Obligation Bonds Remaining	to be Sold		\$60,500,000

1.3 Project Status Summary

1.3.1 Projects In Planning (Pending AOC & COAC Approval)

The following table summarizes the projects that are being considered. The projects will be presented to the AOC & COAC for approval.

	PROJECTS										
Project Title	Applicant	Prop O Funding Request	Prop O Set Aside Funds Request	Funds From Other Sources (if applicable)	Total Project Funding Needed	-	ented to the COAC				
Aliso Creek & Limekiln Creek Restoration (Updated Aug 2013)	Mountains Recreation and Conservation Authority	\$8,561,390	\$0	\$0	\$10,156,479	7/14	7/14

4.1 Project Status Report

A brief status report for each project is provided on the following pages. The report identifies key project information, the planned scope of work, progress date, updated construction costs and percentage complete for all Proposition O projects.

The Percentage Complete at the far right hand column of the diagram uses a color-coding system to designate the current phase of each project.

Turquoise Pre-Design

Yellow Right of Way Acquisition/ Land Acquisition

Red Design
Violet Bid and Award
Green Construction
Blue Post Construction

Progress for each project is tracked by a color-coded pie chart. The color-coding system shows work completed in the darker shade of each color and the lighter shade denotes work to be completed. For example, if a project is in design the pie chart begins as light red. As progress is made, a darker red will indicate the approximate percentage of design work completed to date.

4.2 Project Optimization Status

The table below gives an overview of the optimization scope and status for completed Prop O projects. The optimization tasks for these projects are mandated either by regulatory agency permit requirement, site condition or stakeholders' request.

	Project	Optimization scope	Status
1	Echo Park Lake Rehabilitation	Cisco Ph 2 Debris removal, plant management, and water quality observation for a 4 month period.	Completed.
2	Hansen Dam Wetlands Restoration	Mitigation measures implementation and habitat restoration. Project will prepare annual report for the regulatory agencies' for a period of 5 years.	Progress reports will be prepared by BOE and submitted to the regulatory agencies annually. The last annual report will be submitted in January 2017.
ß	Peck Park Canyon Enhancement	Mitigation measures establishment and habitat restoration. Project is required to comply with multiple regulatory agencies' permit conditions for a period of 5 years.	The mitigation measures, consisting of weeding and replanting, are proceeding as anticipated. Progress reports are being prepared by BOE and submitted to the regulatory agencies annually. The last annual report will be submitted in January 2016.
4	Mar Vista Recreation Center Stormwater BMP Ph 2	Optimization of existing BMP to include stormwater beneficial reuse of the harvested water. The goal is to provide irrigation for the planter boxes adjoining the tennis courts located in the northwest side of the park only. Items to be constructed include pump system, irrigation system, pavement, planter curbing, and installation plantings. The irrigation system will operate as a dual reuse/potable water system. When reuse stormwater is not available for irrigation, the system will automatically use potable water.	Permits have been secured from the Los Angeles Department of Building and Safety and the Los Angeles County Department of Health. Bureau of Sanitation and the Department of Recreation and Parks are in the process of revisiting the project scope.
5	Penmar Water Quality Imp. Phase 1	Cisco Ph 2 The separation of the existing baseball field from the BMP system field by lowering of BMP system maintenance hatches and providing fencing adjacent to Rose Avenue.	Project is almost complete. Original scope is complete. Task Work Order was issued to Colich Construction on 5/27/14 for required re-grading between the new fence and Rose Avenue, planting grass, and irrigation system repairs.
		Cisco Ph 3 Provide fall-safety equipment at the maintenance hatches.	Project has not started as of yet.
