#### 1.0 EXECUTIVE SUMMARY

#### 1.1 Program Summary

In November 2004, voters of the City of Los Angeles passed the Proposition O – Clean Water Bond, authorizing \$500 million of general obligation bonds for projects to protect public health by cleaning up pollution in the City's rivers, lakes, and beaches. The projects are intended to assist the City of Los Angeles in meeting Federal Clean Water Act requirements. Proposition O – Clean Water Bond will also fund improvements to protect water quality, provide flood protection, increase water conservation, provide habitat protection, and create open space.

This monthly progress report summarizes the status of activities and progress of the Proposition O – Clean Water Bond program, for August 2015.

### 1.1.1 <u>Citizens Oversight Advisory Committee (COAC), Administrative Oversight</u> Committee (AOC), and Other highlights

- The August 27, 2015 COAC meeting was canceled; there were no urgent matters needing action.
- The August 27, 2015 AOC meeting was canceled; there were no urgent matters needing action.

#### 1.1.2 Key Issues

#### • Temescal Canyon Park BMP Ph II & Penmar Water Quality Improvement Ph II Projects

- o **Issue:** Dept. of Recreation and Parks (RAP) consideration to establish project easements and to obtain project approval from the Board of RAP.
- Status: Following Board reports review by RAP staff, RAP is requiring BOE to prepare and enclose with the Board reports the easements' documents, legal description and appraisals prior to full Board review. Additionally, RAP is requiring that comparisons between easements' values and the values of all projects' water quality improvements (completed and proposed) be included in the Board reports.
- Action: Staff is working with a Prop O consultant, ARCADIS and City's General Services
  Department to prepare the easements' land value appraisals.

#### 1.1.3 Prop O Awards

#### • Elmer Avenue Green Street Project

National Association of Clean Water Agencies 2011 Operations and Environmental Performance Award

Institute for Sustainable Infrastructure Envision Platinum Award

#### South Los Angeles Wetlands Park

Construction Management Association of America – Southern California Chapter 2013 Project Achievement Award – Parks less than \$10M

Institute for Sustainable Infrastructure Envision Platinum Award

American Council of Engineering Companies 2014 Engineering Excellence Awards Competition National Recognition Award

American Academy of Environmental Engineers and Scientists (AAEES) 2014 Superior Achievement Award

#### • Echo Park Lake Rehabilitation Project

Engineering News Record - California 2013 California Best Projects (Southern California) – Water/Environment

American Public Works Association – Southern California Chapter 2013 BEST Project Award - Drainage, Water and Wastewater

American Society of Civil Engineers – Metro Los Angeles Branch 2013 Outstanding Public Civil Engineering Project – (Water) over \$10M

#### Prop O Awards cont'd

American Society of Civil Engineers – Los Angeles Section 2013 Outstanding Government Civil Engineering Project

California Water Environment Association - Los Angeles Basin Section 2013 Engineering Achievement Award

Southern California Development Forum 2013 Urban Design and Planning Award

National Association of Clean Water Agencies 2014 Operations and Environmental Performance Award

American Society of Civil Engineers - Region 9 2013 Outstanding Parks & Recreation Project

American Academy of Environmental Engineers and Scientists 2014 Grand Prize for Environmental Sustainability

Construction Management Association of America – Southern California Chapter 2014 Project Achievement Award – Public Works Project

California Preservation Foundation 2014 California Preservation Design Award - Rehabilitation Category

American Society of Civil Engineers - National 2015 Outstanding Civil Engineering Achievement Award Finalist

California Stormwater Quality Association (CASQA) 2014 Outstanding Sustainable Stormwater BMP Project

American Society of Landscape Architects - Southern California Chapter 2014 Quality of Life Design Award - Honor Award, Recreation and Parks

American Society of Landscape Architects - Southern California Chapter 2014 Quality of Life Design Award - Award of Excellence

#### Harbor City Greenway/Machado Lake Phase 1

American Society of Civil Engineers – Metropolitan Los Angeles Branch 2015 Outstanding Environmental Engineering Project

#### • Rory M. Shaw Wetlands Park

Institute for Sustainable Infrastructure Envision Platinum Award

#### Santa Monica Bay Low Flow Diversion Upgrades

American Public Works Association – Southern California Chapter 2013 BEST Project Award – Storm Water Quality

#### Prop O Awards cont'd

#### • Temescal Canyon Stormwater BMP Phase 1

American Society of Civil Engineers – Metropolitan Los Angeles Branch 2015 Outstanding Small Project

#### 1.1.4 Project Community Meetings Schedule

The following is a list of Proposition O project meetings with the public that occurred in August and are planned for the month of September.

	COMMUNITY MEETINGS											
Date	Time	Project	Group	CD	Location							
9/02/15	10:00 a.m.	Santa Monica Bay LFD Upgrades Pkg 3 Ph 2	PCH Taskforce	11	Malibu Library 23519 Civic Center Way Malibu, CA							

#### 1.2 Bond Sales

The following table is a summary of the bond sales that fund Proposition O.

PROPOSIT	TION O BOND SALE	SUMMARY	
General Obligation Bonds Approved by	Voters		\$500,000,000
Total Bond Sales to Date			\$439,500,000
Fund 16F July 13, 2005 City Council Approved Bond Sale (Ord. 176839 CF 05-1408)		\$37,000,000	
Bond Interest Earnings (As of July 31) Bond Interest Balance (As of Mar 31)	\$3,089,626 \$3,029		
Fund 16M July 21, 2006 City Council Approved Bond Sale (Ord. 177733 CF 06-0600-S37)		\$8,000,000	
Bond Interest Earnings (As of July 31) Bond Interest Balance (As of Mar 31)	\$901,537 \$5,179		
Fund 16Q July 22, 2008 City Council Approved Bond Sale (Ord. 180090 CF 08-1706)		\$101,000,000	
Bond Interest Earnings (As of July 31) Bond Interest Balance (As of Mar 31)	\$6,364,663 \$108,306		
Fund 16T July 21, 2009 City Council Approved Bond Sale (Ord. 180808 CF 09-1674)		\$176,500,000	
Bond Interest Earnings (As of July 31) Bond Interest Balance (As of Mar 31)	\$11,485,727 \$602,203		
Fund 16V July 28, 2011 City Council Approved Bond Sale (Ord. 181755 CF 11-0841)		\$117,000,000	
Bond Interest Earnings (As of July 31) Bond Interest Balance (As of Mar 31) Table Band Interest Earnings to Date	\$5,841,752 \$1,151,250		
Total Bond Interest Earnings to Date (As of June 30)	\$27,683,305		

#### 1.3 Project Status Summary

The following table summarizes the projects that are being considered. The projects will be presented to the AOC & COAC for approval.

			PROJECT	гѕ			
			Prop O	Funds From Other	Total Project	Date present COAC &	
Project Title	Applicant	Prop O Funding Request	Set Aside Funds Request	Sources (if applicable)	Total Project Funding Needed	COAC	AOC
Aliso Creek & Limekiln Creek Restoration (Updated Aug 2013)	Mountains Recreation and Conservation Authority	\$8,561,390	\$0	\$0	\$10,156,479	7/14	7/14

#### **4.0 PROJECT STATUS REPORT**

#### 4.1 Project Status Report

A brief status report for each project is provided on the following pages. The report identifies key project information, the planned scope of work, progress date, updated construction costs and percentage complete for all Proposition O projects.

The Percentage Complete at the far right hand column of the diagram uses a color-coding system to designate the current phase of each project.

Turquoise Pre-Design

Yellow Right of Way Acquisition/ Land Acquisition

Red Design

Violet Bid and Award
Green Construction
Blue Post Construction

Progress for each project is tracked by a color-coded pie chart. The color-coding system shows work completed in the darker shade of each color and the lighter shade denotes work to be completed. For example, if a project is in design the pie chart begins as light red. As progress is made, a darker red will indicate the approximate percentage of design work completed to date.

#### 4.2 Project Optimization Status

The table below gives an overview of the optimization scope and status for completed Prop O projects. The optimization tasks for these projects are mandated either by regulatory agency permit requirement, site condition or stakeholders' request.ich will also include stormwater irrigation of the grass areas west of the tennis courts and

Hansen Dam Wetlands Restoration

#### **5.0 APPENDIX**

PROJECT PHASE	STATUS						
	Complete						
Phase I	7,620 catch basin inserts 7,900 catch basin curb opening screens covers						
	Installations coverage addressed the City's high trash generation areas.						
	Complete						
Phase II	6,400 catch basin curb opening screen covers						
	<ul> <li>Installation coverage addressed only a portion of the City's medium trash generation area.</li> </ul>						
	Complete						
	24,187 catch basin curb opening screen covers						
Phase III	• Installation coverage addressed the low and medium trash generation areas in the Los Angeles and Ballona Creek watersheds.						
	• Completed a special study, <i>The Quantification of the City of LA's Institutional Measures for Trash TMDL Compliance</i> . The study resulted in demonstrating the City's institutional measures having a 13.5% effectiveness in the prevention of trash discharges into the storm drain system.						
	In Progress						
	1,600 catch basin inserts (PLANNED)  1,000 catch basin curb opening screen covers (PLANNED)						
	Completed the field evaluation of 250 catch basins in the Machado Lake watershed for feasibility of curb opening screen covers or insert installation.						
	Completed the field evaluation of 1,150 catch basins in the Dominguez Channel watershed for feasibility of curb opening screen covers or insert installation.						
Phase IV	• Completed the field evaluation of 1,200 catch basins in the Santa Monica Bay watershed for feasibility of curb opening screen covers or insert installation.						
Phase IV	• Commenced a special study, <i>Evaluation of an Alternative Curb Opening Screen Cover for Trash TMDL Compliance</i> . It is anticipated study would support a more cost effective alternative for future installations. Final study report to be completed by June 2015.						
	Machado Lake watershed catch basin retrofits tentative start date of July 2015.
